10W LED Showcase Pole Light

Miniature LED fixtures for display cases, vitrines and retail cabinetry · 12 V DC low voltage system

Model	CHIA-8430-10W
Rated power	10W
Input voltage	12V
Light source	COB
LED chip	SMD2835
Colour temperature	3000k,4000k,6000k
CRI	80
Luminous flux	1300Lm
Beam angle	110
Housing material	Aviation aluminium
Housing finish	Black, Silver(optional)
Rated life	20,000 h
Warranty	3 years
Notes	Customizable within 2000mm

Technical files

Document	Format	Availability
Datasheet (this document)	PDF	Included
Photometric file (IES / LDT)	IES, LDT	On request
Dimension & cut-out drawing	DXF, PDF	On request
Installation instructions	PDF	On request
Test report (LM-80, flicker, CRI)	PDF	On request

Need this specified for a real cabinet?
Send the case photo, internal dimensions and what is displayed — we return a configuration with fixture count, beam angles, driver sizing and lead time. Samples: about 3 days. MOQ 1 pc. Warranty 3 years.
