Mini Pole Spotlight CHIB7527-D-6W LED Display Lighting Solution Designed for Retail, Museum, Gallery, and Showcase Applications

Miniature LED fixtures for display cases, vitrines and retail cabinetry · 12 V DC low voltage system

Model	CHIB7527-D-6W
Product type	Mini Pole Spotlight
Rated power	2 × 3W (6W Total)
Input voltage	DC12V Constant Voltage (CV)
LED chip	OSRAM SMD
Colour temperature	3000K / 4000K / 6000K
CRI	Ra ≥ 90
Luminous flux	300 lm × 2
Beam angle	15° / 30° / 60°
Mounting	Base mounting, hole diameter Ø12mm, screw length 25mm
Housing material	Aluminum
Housing finish	Black / Silver
Pole Height	200mm / 300mm / 400mm (Customizable)
Lamp Head Size	Ø27mm × 45mm
Pole Diameter	Ø8mm
Net weight	110g
Packaging Size	475 × 106 × 55 mm
Packaging Weight	160g
Typical applications	Display Cabinets, Retail Stores, Museums, Jewelry Displays, Art Galleries, Showrooms
Notes	115g

Technical files

Document	Format	Availability
Datasheet (this document)	PDF	Included
Photometric file (IES / LDT)	IES, LDT	On request
Dimension & cut-out drawing	DXF, PDF	On request
Installation instructions	PDF	On request
Test report (LM-80, flicker, CRI)	PDF	On request

Need this specified for a real cabinet?
Send the case photo, internal dimensions and what is displayed — we return a configuration with fixture count, beam angles, driver sizing and lead time. Samples: about 3 days. MOQ 1 pc. Warranty 3 years.
